Model YLH

Loaf Separator

for one loaf and half loaf

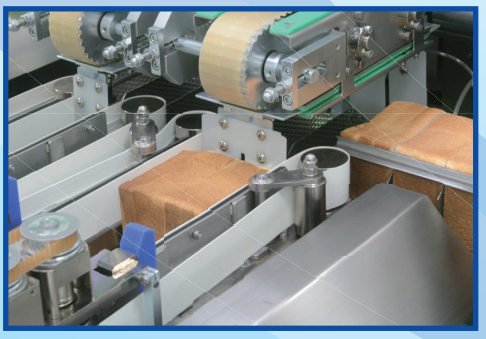
Turning device with Automatic Separator

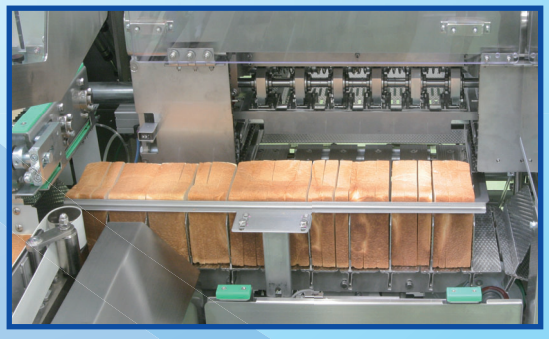
No chain, no air in the section of turning device for half loaf

High speed and **reliable** automatic supply

It corresponds both of type

Pullman bread and English bread





◎Introduce the timing belt to transverse unit instead of chain and dissolve the problem for out of position when feeding.

◎Easier maintenance and cleaning by introducing timing belt in the section of turning device.

◎Achieve keeping stable feeding for Pullman bread as well as English bread.

OSHIKIRI
